The Bay Area Fishing Tournament & Outdoor Sports Show is focused on highlighting our world class fishery, Lake St. Clair. It will be a fun day of family events including educational fishing seminars, an onsite fishing pond for kids, and a multitude of family related events all focused on exposing kids and families to the outdoor lifestyle. At night, you can unwind in the park with dinner, drinks and entertainment. Boat, Outdoor and Powersport vendors will be in and around the park all weekend.

All proceeds from the tournament will go toward the New Baltimore Parks & Recreation park improvement fund and No Limits Fishing, a local non-profit that provides fishing charters to children with disabilities and their families.
